

CAT[®] EXTENDED SERVICE COVERAGE (ESC) CAN SAVE YOU THOUSANDS IN COVERED REPAIRS.

Let Cat ESC pay for your future repair bills.

Your operation depends on reliable power. That's why you trust Cat[®] Electric Power Systems. With Cat ESC you get service coverage that's as durable and long lasting as your Cat equipment – so you can spend less time managing maintenance and more time running your business.

ESC for prime and standby gensets, switchgear, automatic transfer switches (ATS), and engine paralleling and integration controls (EPIC) is built to protect your investment and your peace of mind.

ESC Benefits

- Protect your investment with coverage for parts and labor expenses on covered components (less any applicable deductible).
- Avoid unexpected repair costs caused by unscheduled repairs.
- Budget for unexpected repairs and lock in costs up front.
- Make sure repairs are done right the first time with factory-trained technicians.
- Return your electric power systems to their original operating specifications, meeting all emission standards and requirements for safe use.
- Combine ESC with a Customer Support Agreement for complete maintenance and repair protection.
