DESIGN

Create new **sources of inspiration**, develop **creativity** and invent new **trends** are the mottoes of our partner Architects and Colourists!

As incontestable **pioneers**, Gerflor and its experts develop elegant and functional ideas so that wall protection becomes an integral part of your decoration.

With this powerful design advantage, **integrated or invisible**, it is up to you to play with your wall protection and create a unique style!

WHO ARE WE?

Specialised in wall protections and handrails with the SPM product ranges, Gerflor has been developing innovative and decorative solutions to protect, enhance and ensure the sustainability of your walls for over thirty-five years.

PROTECTION

Gerflor solutions **protect walls and doors lastingly** from impacts and friction. **Resistant** to frequent washing and **easy to install**, they embellish your premises through easier maintenance while adding an aesthetic touch.

For Gerflor, the constant quest for the ideal harmony between aesthetics and protection is a source of innovation.

INSPIRATIONS

ROSE MAGNOLIA

“Design: 2016 will be the year of the Rose! Pantone, a subsidiary of the American company X-Rite, the world-renowned authority on colour, has elected rose as the colour of the year 2016...”

Excerpt from the article published in LE MONDE, 06/01/2016

CONCRETE MOOD

Concrete: an essential material in decoration! Inspired from the industrial world, concrete has gradually invaded our interiors. The new **DECOTREND** decors are part of this modern and urban line.
